

SWIM & RACQUET CLUB OF MARLBORO

P.O. BOX 146, MARLBORO, N.J. 07746

March 2026

Dear Fellow Club Members:

Greetings! The 2026 season will begin on Saturday May 23, 2026. The Pool Club will be in operation on weekends-only through late June. Full time operations will commence upon completion of the school year at Marlboro High School. At present, the Club will open at 11am on both weekdays and weekends. The Club will generally close between 7:30pm and 8pm. However, the pool managers may close the pool earlier at their discretion due to the onset of darkness and/or weather conditions. The Club will close for the season on Labor Day, Monday September 7, 2026 at 5pm.

For security purposes, members will not be admitted into the Club without an updated photo. If you did not take a new photo with us recently, pictures will be taken at the Club when you make your first visit. Please make sure all family members are present and bring a photo ID for proof of residency.

The assessment for the Club will be \$445 per household. In addition to the continued escalation in labor costs, the Board plans to use assessment dollars to replace pumps/motors in the pump room, replace the vertical posts outside the snack bar and bathrooms, and install hand blower units in the bathrooms.

Our website at www.mhsrc.club will be updated with information and the Trustees can be reached via email through the website.

Sincerely,

Michael Messinger, President (732-536-2872)
